## 01 PROFILE

Dynamic and results-driven, I am a Talent Acquisition Specialist with a keen eye for quality talent and team building. Strong communication and strategic thinking enable me to thrive in fast-paced recruitment environments. Beyond hiring, I have excelled in event management, playing key roles in organizing MUNs and debates, strengthening my leadership, adaptability, and teamwork. My multitasking, negotiation skills, and impactful hiring strategies make me a valuable asset to any organization.

## 02 EMPLOYMENT HISTORY

### Member of Organizing committee at The John's MUN

As a Delegate Affairs member in the MUN Organizing Committee, I managed registrations, handled inquiries, and ensured seamless delegate interactions. This role sharpened my communication, problem-solving, and teamwork skills while contributing to a successful event.

### Member of Tech Team at SJAID(St.john's all india debate)

As a member of the tech team for an All India Debate competition, I was responsible for setting up and maintaining audio-visual equipment, ensuring smooth technical operations throughout the event. I worked closely with the organizing team to troubleshoot issues and support the seamless flow of debates, enhancing the overall experience for participants and attendees.
